

Certificate of conformity of the factory production control 1139-CPR-0919/15

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), in the current version, this certificate applies to the construction product

Products and systems for the protection and repair of concrete structures

(according to the information in the annex of this certificate)

placed on the market under the name or trade mark of

**IPA Bauchemische Produkte GmbH
D-82544 Egling, Riedhof 5**

and produced in the manufacturing plant

**IPA Bauchemische Produkte GmbH
Werk Egling
D-82544 Egling, Riedhof 5**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards

EN 1504-2:2004 and EN 1504-3:2005

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements

This certificate was first issued on 21 April 2016 and will remain valid as long as neither the harmonised standard(s), the construction product, the AVCP method nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body. The certificate consists of two pages (incl. Annex).

ANNEX TO
Certificate of conformity of the factory production control
1139-CPR-0919/15

This certificate implies the factory production control of the following products of the manufacturer IPA Bauchemische Produkte GmbH, Riedhof 5, D-82544 Egling

Manufacturing plant: IPA Bauchemische Produkte GmbH, Werk Egling, D-82544 Egling, Riedhof 5

Products and systems for the protection and repair of concrete structures
according to EN 1504-2:2004

intended for uses in buildings and civil engineering works and for uses subject to reaction to fire regulations

product trade name	principle-method ¹⁾
Ipanol IH	1-1.3, 2-2.2-----
IPA Dichtschlämme	1-1.3, 2-2.2-----

Products and systems for the protection and repair of concrete structures
according to EN 1504-3:2005

intended for uses in buildings and civil engineering works and for uses subject to reaction to fire regulations

product trade name	principle-method ¹⁾
IPA Reparaturbeton RB 1K	3-3.1, 3-3.2, 3-3.3, 4-4.4, 7-7.1, 7-7.2

¹⁾ Legende:

Principle 1: Protection against Ingress, Method 1.3: coating (C)

Principle 2: Moisture Control, Method 2.2: coating (C)

Principle 3: Concrete restoration, Method 3.1: Applying mortar by hand

Principle 3: Concrete restoration, Method 3.2: Recasting with concrete

Principle 3: Concrete restoration, Method 3.3: Spraying mortar or concrete

Principle 4: Structural strengthening, Method 4.4: Adding mortar or concrete

Principle 7: Preserving or restoring passivity,

Method 7.1: Increasing cover to reinforcement with mortar or concrete

Method 7.2: Replacing contaminated concrete

Product characteristics can be found in the information of the manufacturer accompanying the CE marking.
